

TG PatientSupport™

TG Therapeutics has created **TG Patient Support**, which provides resources and information to help patients access, manage, and understand their medication, including:

- Disease and product-specific patient education
- Access and reimbursement support

Introducing TG Patient Support

TG Patient Support is a comprehensive program that provides information and support to help your patients navigate the reimbursement process and understand their treatment with UKONIQ™ (umbralisib).

Services Included

- Insurance support, including verifying your patient's insurance coverage for UKONIQ and their copay or coinsurance responsibility
- Information about financial assistance options (see page 5)
- Educational support to help your patients understand their prescription for UKONIQ

Help your patients access and prepare for treatment with UKONIQ by enrolling into **TG Patient Support.**

Visit **[Ukoniq.com/patientsupport](https://ukoniq.com/patientsupport)** to download the enrollment form.*

If your patients have questions, they can call **1-877-TGTXPSP (1-877-848-9777)** to speak with a program case manager for more information. Translation services are available.

*Both you and your patient will need to fill out and sign portions of the enrollment form.

Benefits Investigation and Prior Authorization Support

Access Resources for Patients

TG Therapeutics is committed to helping patients get access to our medications.

TG Patient Support helps with:

- Benefits investigation
 - Verifies your patient's insurance benefits for UKONIQ™ (umbralisib), including their copay or coinsurance responsibility
 - Verifies if a prior authorization is required and the insurance plan's process for submitting a prior authorization
 - The case manager can also follow up with the payer on the status of the prior authorization

Additional Resources Are Available Online to Support the Prior Authorization or Appeals Process

Financial Assistance for Patients

At TG Therapeutics, We Want to Help Your Patients Access UKONIQ™ (umbralisib)

Financial Assistance Programs

Commercial Copay Assistance

Patients with commercial or private insurance may be eligible to receive UKONIQ for as little as \$5 per prescription.*

Independent Charitable Organization Support

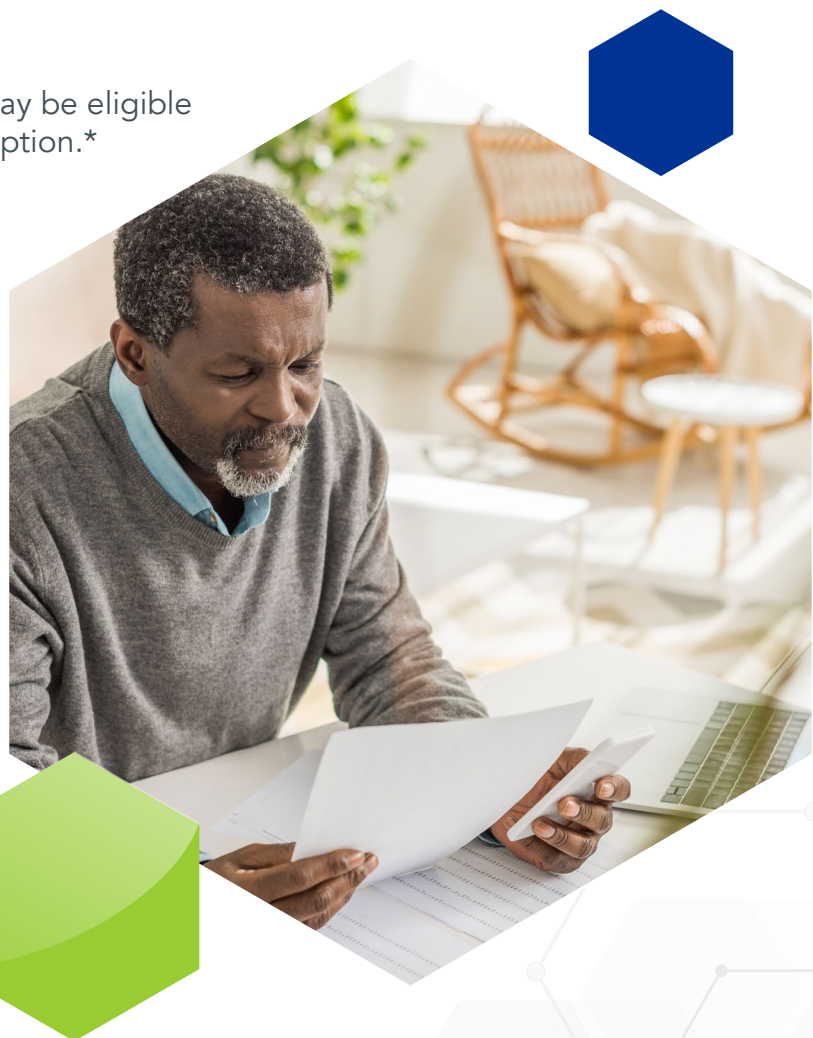

For patients with state or federally funded insurance coverage, including Medicare or Medicaid, TG Therapeutics can provide a list of financial assistance options from independent charitable organizations.

Quick Start and Bridge Programs

Patients with a 5-day delay or lapse in insurance coverage may be eligible to receive a 15-day supply of UKONIQ to prevent prolonged delays or interruptions in therapy.

Patient Assistance Program

Patients with no insurance coverage or patients who are underinsured, who meet financial eligibility criteria, may be able to receive UKONIQ free of charge.†

*Up to the annual maximum program benefit for \$25,000 per patient, per calendar year. Patients must have commercial health insurance (also known as private insurance) that provides coverage for UKONIQ. Patients must meet all other Terms and Conditions of the program. Visit <https://www.TGCommercialCopayProgram.com> for full Terms and Conditions.

†Patients must meet certain eligibility criteria to qualify for the Patient Assistance Program. Eligible patients must be uninsured or underinsured with an annual family gross income equal to or less than 600% of the current federal poverty level.
